“We’re looking forward to seeing you in our new home.”

On December 21, PWA will be moving to our new home at:

200 Gerrard Street East, 2nd floor, Toronto M5A 2E6. Our phone (416-506-1400) and fax numbers (416-506-1404) will remain the same.

We are creating a new **welcoming and affirming** space for PHAs to gather, connect and support each other. Improving accessibility for our food bank which will now be located on street-level will make it easier for people having difficulty managing steps. And the space allows for new partnerships with other agencies that will strengthen our ability to provide services and effective referrals to all people living with HIV/AIDS.

This move is an important step towards achieving the strategic direction that your voices developed.
