

Are you HIV+ and living in Toronto? Have you started or are you considering starting treatment? We need your help!

The Toronto People With AIDS Foundation (PWA) will be leading a conversation with community partners to identify strengths, partnership opportunities, and how we can more effectively meet the treatment information support needs of people living with HIV/AIDS (PHA's) in Toronto. To help inform this conversation, we are conducting a survey to help us to better understand the treatment information and support needs of PHA's and to collect suggestions and feedback on partnership opportunities.

The information collected in the survey will be anonymous. Your help in completing the survey will be invaluable!

**This survey is available online and at various clinics and AIDS service organizations around Toronto
To access this survey online please go to:**

www.surveymonkey.com/s/7593SRJ

If you have any questions or concerns please contact Jennifer Ann Grochocinski, Treatment Resources Coordinator at PWA at 416-506-8606 x237 or at jagrochocinski@pwatoronto.org
