**NEW Essentials Market Nutritionist = Great RECIPES**

PWA has joined up with the Sherbourne Health Centre (SHC) in a program to assist clients in preparing healthy meals using the foods found in our own Essentials market. Every second Wednesday, the team from SHC will be in PWA's Activity Centre (Essentials Market registration room) with some tasty samples for clients to try and some great menus to take home.

This new initiative allows clients accessing the Essentials Market the opportunity to engage with the SHC team on any matters regarding healthy eating and encourages better nutrition.
