Canadian Working Group of HIV and Rehabilitation

The Canadian Working Group on HIV and Rehabilitation (CWGHR) invites you to its Forum and Annual General Meeting, June 12-13, 2010 in Toronto.

With a keynote address by Dr. Michel Landry of the Department of Physical Therapy at the University of Toronto, this will be an opportunity to come together and combine the valuable experiences and expertise of a wide-range of partners. There will also be a unique joint session on "Housing, HIV and Human Rights," in partnership with the Canadian HIV/AIDS Legal Network.

By collectively examining barriers, identifying best practices and developing innovative solutions and critical next steps, we can improve access to rehabilitation and enhance the daily lives of people living with HIV and other episodic disabilities.

To register or for more information, visit www.hivandrehab.ca/EN/AGM2010 or call 416-513-0440.

Universal Access - Sign the Petition

A campaign of the Canadian Labour Congress encourages all to advocate for universal access to HIV/AIDS services.

It is vital for each and every one of us to send a message to Prime Minister Stephen Harper - through a simple "click" of the mouse. If you have already signed the petition - THANK-YOU! Your support is greatly appreciated. If you will, please consider other ways to strengthen the campaign:

- 1) Sign the petition. www.cupe.ca/action/hiv-aids
- 2) Join on Facebook (Search: I Support Universal Access to HIV/AIDS Services) and use the group to spread the word about the campaign and show Canadians the importance of Universal Access!
