## Holiday Hampers

PWA's Holiday Hampers were distributed this past weekend to 800 clients. The Holiday Hamper program provides people living with HIV/AIDS with a special hamper of high quality food items, personal care products and other gifts in order that they may participate in the spirit of the season. For many, it is their only opportunity to receive a gift. Holiday Hampers serve to lift the clients' spirits and to maintain their nutritional intake.

A very warm thank you to all of the contributors to this year's Holiday Hampers: Coach House Cookies, Daniel et Daniel, Johnson & Johnson, McGregor Industries, New Leaf Florist, Procter & Gamble, Starbucks, TICOT and TIFF.

And a special thank you to the volunteers from Procter & Gamble for their support!

### **ABOUT PWA**

Toronto People With AIDS Foundation is the largest provider of practical direct support services for people living with HIV/AIDS in Canada.

People living with HIV/AIDS play a crucial role in the governance and operation of the Toronto People With AIDS Foundation, but, most importantly, are its heart and soul. PWA's response to HIV/AIDS is, more than anything else, inspired by the voices and experience of people living with HIV/AIDS.

Thank you for your support and interest in Toronto People With AIDS Foundation's work.
