

PWA is looking for graduates of the Ontario AIDS Network (OAN) Leadership Level I & II program to become volunteer educators. If your passions are HIV education/prevention, challenging stigma and discrimination and helping to dispel the myths and misconceptions about HIV/AIDS we want to hear from you. All persons living with HIV/AIDS (PHAs) are eligible to apply. All voices and stories are important and we would also like to connect more with youth, women and heterosexual communities to make sure their stories are told.

SPEAKERS BUREAU WANTS YOU

Changing the world one story at a time
