To the Members of Toronto People with AIDS Foundation

We have audited the accompanying financial statements of Toronto People with AIDS Foundation, which comprise the statement of financial position as at March 31, 2016, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for qualified opinion

In common with many not-for-profit organizations, the Foundation derives revenue from donations from the public, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might otherwise be necessary to revenue, excess (deficiency) of revenue over expenses and cash flows for the years ended March 31, 2016 and 2015, assets as at March 31, 2016 and 2015, and net assets as at April 1, 2014, March 31, 2015 and 2016. Our audit opinion on the financial statements for the year ended March 31, 2015 was modified accordingly because of the possible effects of this limitation in scope.

Qualified opinion

In our opinion, except for the effects of the matter described in the basis for qualified opinion paragraph, these financial statements present fairly, in all material respects, the financial position of Toronto People with AIDS Foundation as at March 31, 2016, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. Organizational background, mission statement and income tax status

Toronto People with AIDS Foundation (PWA) is a not-for-profit organization incorporated under the Corporations Act, Ontario, by letters patent dated May 11, 1987 and subsequently amended by supplementary letters patent dated June 7, 1988.

Mission statement

PWA engages people living with HIV/AIDS by enhancing their health and well-being through practical and therapeutic support services and broader social change, and by inspiring clients to live into their dreams and discoveries.

Statement of philosophy

PWA has an essential philosophy: affirming, community-creating, supportive, concretely helpful, creating space and resources for living as fully as possible. The Strategic Plan developed in fiscal 2011 captured the essence of PWA over its first 24 years as a foundation for moving into the future, and highlighting five directions/themes:

1. Capacity Builder

Enhance awareness, resilience, strength, knowledge and skills among people living with HIV/AIDS (PHAs) and the broader community.

Welcoming and Healing Space

A space where people experience affirmation, joy and inspiration and have creative and meaningful expressions of our experiences, lives and knowledge.

3. Creative Connector

A vibrant hub that connects people, creates communities and facilitates access to diverse services.

4. Health and Well-being Champion

Champion the self-determination and control over individual health and wellness and the inclusion of PHAs in educating healthcare providers.

5. Practical and Therapeutic Program Delivery

Incorporate the Engagement Cycle and increase the intentionality of therapeutic impacts within the provision of foundational practical support services.

Income tax status

PWA is registered as a charitable organization under the Income Tax Act (Canada) and, as such, is exempt from income taxes. Accordingly, no provision has been made in the accounts of PWA for income taxes.

March 31, 2016

2. Summary of significant accounting policies

The financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO), the more significant of which are outlined below.

Use of estimates

The preparation of financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the statement of financial position date and the reported amounts of revenues and expenses during the fiscal year. Items subject to significant management estimate include amortization of property and equipment, the estimate of allowance for doubtful accounts and certain accruals. Actual results could differ from those estimates.

Property and equipment

Purchased property and equipment are recorded at cost and are amortized over their estimated useful life on a straight-line basis. The annual amortization rates are as follows:

Vehicles 5 years Computer equipment 3 years Furniture and fixtures 5 years

Leasehold improvements Over the term of the lease

Donated property and equipment are recorded at fair value at the date of contribution when such value can be reasonably determined.

Revenue recognition

PWA follows the deferral method of accounting for revenue. Restricted contributions and grants are recognized as revenue in the fiscal year in which the related expenses are incurred. Unrestricted contributions and grants are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Investment and other income is recognized as earned.

Donated goods and services

The fair market value of donated goods and services is not reported in the financial statements as revenue, however, it is reported as a note to the financial statements (Note 8).

Allocation of expenses

PWA allocates a portion of administrative and overhead shared expenses to various programs. Allocation of expenses is on the following basis:

- (1) Occupancy costs (rent/utilities) based on square footage used for each program
- (2) Amortization expense based on number of program staff and required usage of computers, furniture and fixtures and a portion of leasehold improvements
- (3) General administrative expenses based on number of program staff and program anticipated needs.

The details of the allocation are in Note 9. The basis of expense allocation is consistent with the prior fiscal year.

March 31, 2016

2. Summary of significant accounting policies (continued)

Financial instruments

PWA's financial instruments consist of cash, short-term investments, accounts receivable, investments, and accounts payable.

Financial assets or liabilities are initially measured at their fair value. PWA subsequently measures all of its financial assets and financial liabilities at amortized cost except for short-term investments and investments.

Short-term investments consist of money market funds and investments consist of guaranteed investment certificates bearing interest at rates between 2.55% and 2.91% (2015 - 2.55% and 2.91%), maturing from January 2017 to October 2018. Short-term investments and investments are stated at fair market value. Both realized and unrealized gains and losses are included with investment income in the statement of operations.

8. Donated goods and services

A large number of hours are contributed by volunteers who assist in the Essentials Market, act as riders and crew on the bike rally, provide massage therapy and hair cutting services, perform reception duties and assist in the PWA office. PWA also receives weekly donations of groceries from a number of businesses and organizations which are distributed to clients through the Essentials Market. The volunteer contributions and donated groceries are not reflected as donated goods and services revenue due to the difficulty in establishing the fair market value of these goods and services.

In fiscal 2016, donated goods and services for which a fair value could be established amounted to \$Nil (2015 - \$Nil).

A quantity of theatre and event tickets are received free of charge and distributed to clients through the Theatre Access program. These contributions are not reflected as donated goods and services revenue as PWA would not have otherwise purchased the tickets.

March 31, 2016

10. Lease commitment

PWA leases office space under an operating lease which expires on November 30, 2018. The minimum annual lease payments required over the next three fiscal years are as follows:

2017	\$ 233,100
2018	245,700
2019	163,800

11. Planned giving and bequests (major gifts)

PWA Board of Directors (the "Board") are informed of all planned giving Major Gifts outstanding which will provide funding to future fiscal periods. Once the funds are received, the Board has an opportunity to approve and restrict funds for Priority Resource Support, Capacity Building, Organizational Development and expanded Programming needs. At March 31, 2016, there is one major gift outstanding (Bequest from Estate) with no formal confirmation of the amount to be received and timing of payment.

12. Group Registered Retirement Savings Plan (RRSP)

After completion of 12 months of employment, all full-time permanent employees working a minimum of 20 hours per week for PWA, are eligible to participate in the Group Registered Retirement Savings Plan (RRSP) administered by the Investors Group. The Employer's contribution is 2% of employee's gross earnings, and the Employee's contribution is a matching amount, or greater. 19 employees (2015 – 15) are registered in the Group RRSP as at March 31, 2016. Total Employer RRSP contributions for the fiscal year 2016 was \$18,578 (2015 - \$16,859) included in general expenses.

13. Financial instruments

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

Credit risk

Credit risk is the risk that PWA's debtors will not meet their obligations as they come due. Management does not consider credit risks on its accounts receivable to be significant given the nature of PWA's sources of revenue. The allowance for doubtful accounts in relation to accounts receivable is \$Nil (2015 - \$Nil).

March 31, 2016

13. Financial instruments (continued)

Interest rate risk

PWA is exposed to interest rate risk on its investments when the value of these financial instruments fluctuates due to changes in market interest rates.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. PWA is exposed to liquidity risk with respect to its accounts payable. PWA reduces its exposure to liquidity risk by ensuring that it documents when authorized payments are due and maintaining adequate cash reserves to repay advances.

Other risks

It is management's opinion that PWA is not exposed to significant currency, interest rate cash flow, or market risks arising from its financial instruments.
