**Possible Financial Assistance Budget Restrictions**

- PWA will strive to keep the Financial Assistance Program operating for the full fiscal year or for as long as the budget will allow.
- PWA established an Advisory Committee in 2018 to review the Financial Assistance program. The committee was made up of clients, service access volunteers and staff members. In addition, clients were engaged via a survey to provide their feedback. The recommendation is that should PWA experience budget restrictions the following steps should be taken:
  - PWA should inform clients on April 1st, that funds are limited and keep program open until the funds are exhausted.
- If such closures need to happen, PWA will strive to communicate this with as much advanced notice as possible.

**Answers to Common Questions**
